

BROOKHAVEN BRIEF August 5, 2022

Looking back on Week 6 - August 1-5, 2022

Our A-Z Scavenger Hunt allowed campers to discover many unique and fun things. Apache Relay had a new and better look to it and all campers competed with enthusiasm & spirit. In a very closely contested Apache Relay, the Navajo team came away victorious. Finally, Jr. Camp had the opportunity to celebrate the birthdays of everyone during our annual Birthday Ball. Trips this week were:
 Monday Aug. 1 - The Jr Teens, Preteens, B6 & G6 were supposed to go to Sunken Meadow Park, but the weather man had other plans. Therefore we made alternate plans and those groups went to an afternoon movie
 Friday August 5 - The Jr Teens went Canoeing on Carman's River and the Preteens went to Country Fair.

Here's what next week looks like
